All silk articles are completed with a pin hem as our standard option.

A 10% surcharge will be added to the total.

With printing panels, the fabric becomes more prone to marking; this fault rate will cover the cost of any extras that may need to be reprinted. However, if the printing is 100% successful, the extras will be added to your order.

PLEASE NOTE: NOT ALL STYLES OF ARTWORK ARE APPROPRIATE FOR CERTAIN TYPES OF SILK. IF YOUR ARTWORK FEATURES BORDERS, WE WOULD ONLY RECOMMEND USING A CREPE DE CHINE. PREFERABLY 16MM OR HEAVIER. DUE TO THE NATURE OF FINE FABRICS, THEY CAN SOMETIMES DEVIATE SLIGHTLY PROVING DIFFICULT TO PRINT A STRAIGHT SCARF WHEN BORDERS ARE INVOLVED. NO.13 CDC IS OUR MOST RELIABLE FABRIC FOR ACHIEVING STRAIGHT SCARVES WITH BORDERS. IF YOUR ARTWORK IS A REPEAT PRINT, WE WOULDN'T HAVE ANY PARTICULAR FABRIC LIMITATIONS.
