With printing panels, the fabric becomes more prone to marking; this fault rate will cover the cost of any extras that may need to be reprinted. However, if the printing is 100% successful, the extras will be added to your order.

PLEASE NOTE: WE CAN MANUFACTURE SILK CUSHIONS, BUT THESE WILL COME AT A HIGHER PRICE TO COTTON ONES. THE PROCESS OF SILK PRINTING IS SLIGHTLY DIFFERENT AND THE CUSHIONS MAY REQUIRE EXTRA COMPONENTS SUCH AS INTERLINING.

PLEASE CONTACT US TO DISCUSS FURTHER IF WISHING TO USE SILK.
